Grantsmanship for Small Libraries and School Library Media Centers

1999-04-15

the knowledge seeker is a useful system to develop various intelligent applications such as ontology based search engine ontology based text classification system ontological agent system and semantic web system etc the knowledge seeker contains four different ontological components first it defines the knowledge representation model v ontology graph second an ontology learning process that based on chi square statistics is proposed for automatic learning an ontology graph from texts for different domains third it defines an ontology generation method that transforms the learning outcome to the ontology graph format for machine processing and also can be visualized for human validation fourth it defines different ontological operations such as similarity measurement and text classification that can be carried out with the use of generated ontology graphs the final goal of the knowledgeseeeker system framework is that it can improve the traditional information system with higher efficiency in particular it can increase the accuracy of a text classification system and also enhance the search intelligence in a search engine this can be done by enhancing the system with machine processable ontology

Knowledge Seeker - Ontology Modelling for Information Search and Management

2011-01-31

do you feel stressed exhausted and weighed down by responsibility are you itching to do something different but don t know what or how is fear holding you back from living the life you want beth kempton went from being a life loving risk taking adventurer to a grown up settled down mother wife and business owner before realizing the life she had built was suffocating her she set out on a journey to find personal freedom and along the way encountered many others who were also feeling trapped by their circumstances relationships finances beliefs doubts and fears freedom seeker brings together the insights techniques and wisdom that beth learned on her journey to freedom including her unique system of 8 freedom keys which will help you to get clarity on what really matters to you figure out how to live the life you want whatever your circumstances make a shift from worry and fear to feeling alive and inspired find the courage and confidence to shape your future reignite old passions and discover new ones feel much freer and happier every single day full of profound lessons powerful exercises and inspiring tales this honest and courageous book will help you to live more worry less and find a way to do what you love every day

Peace Corps Times

1984

unaccompanied child asylum seekers are amongst the world's most vulnerable populations and their numbers are increasing the intersection of their age their seeking asylum and separation from their parents creates a specific and acute triple burden of vulnerability their precariousness has long been recognised in international human rights law yet human rights based responses have been subordinated to progressive global securitisation of irregular migration through interception interdiction extraterritorial processing and immigration detention such an approach necessitates an urgent paradigm shift in how we comprehend their needs as children the impact of punitive border control laws on them and the responsibility of states to these children when they arrive at their borders seeking asylum this book reconceptualises the relationship between unaccompanied child asylum seekers and states it proposes a new conceptual framework by applying international human rights law childhood studies and vulnerability theory scholarship in analysing state obligations to respond to these children this framework incorporates a robust analysis of the operation and impact of laws on vulnerable populations a taxonomy for articulating the gravity of any consequent harms and a method to prioritise recommendations for reform the book then illustrates the framework's utility using australia's treatment of unaccompanied children as a case study this book illuminates key learnings from human rights law childhood studies and vulnerability theory and transforms them into a new roadmap for law reform as such it will be a valuable practice based resource for practitioners non government organisations advocates policymakers and the general public interested in advocating for the rights of vulnerable populations as well as for academics researchers and students of human rights law refugee law childhood studies and vulnerability studies

Reconceptualising Unaccompanied Child Asylum Seekers and the Law

2022-09-30

this book helps educators foster academic success and college readiness it demonstrates how to instruct high school students to find process and think about new information and then synthesize that knowledge when students are able to manage topics of high interest by choosing their own subject matter they learn how to effectively perform pre collegiate research through a process that they find fun and rewarding ideal for high school level teachers and school librarians this book provides a unique holistic approach to guided inquiry that guides students step by step through the cognitive affective and social processes involved building

critical study skills time management strategies collaboration techniques and communication and presentation skills a guided inquiry approach to high school research is derived from a formal research protocol and provides proven techniques and supporting materials that facilitate the process for permitting students to choose their own topic easily grasping how to search for information and successfully completing a seemingly daunting research assignment a process that makes understandings deep and integrative the included detailed project lessons student handouts and rubrics and assessment tools are the result of many years of classroom testing and refinement

Job Seekers Guide to Private and Public Companies

1993-12

the concept of the migrant as rights bearer at law is surprisingly recent and under developed migrants have traditionally been seen as outsiders persons who are in society but not yet of society migrants are at best invitees guests for whom presence in a country is a privilege this is the first of two volumes which bring together writings which trace the evolution in thinking about migrants as legal subjects and rights holders the articles cover issues around state sovereignty and migrants as subjects of international law the articulation of rights different categories of migrants issues around health and disability the volume also features an extended article on the proposal for an international migrants bill of rights imbr put forward by an international consortium of academics and students a related volume refugees and rights is also published as part of the series

Manpower

1974

Employment Security Review

1958

it is not often acknowledged that the great majority of african refugee movement happens within africa rather than from africa to the west this book examines the specific characteristics and challenges of the refugee situation in sub saharan africa offering a new and critical vision on the situation of asylum seekers and refugees in the african continent cristiano d orsi considers the international regional and domestic legal and institutional frameworks linked to refugee protection in sub saharan africa and explores the contributions african refugee protection has brought to the cause on a global scale key issues covered in the book include the theory and the practice of non refoulement an analysis of the phenomenon of mass influx the concept of burden sharing and the role of freedom fighters the book goes on to examine the expulsions of refugees and the historical role played by unhcr in sub saharan africa as a work which follows the persecution and legal challenges of those in search of a safe haven this book will be of great interest and use to researchers and students of immigration and asylum law international law human rights and african studies

Employment Security Review

1960

a critical discussion of eu and echr migration and refugee law this book analyses the law on asylum and immigration of third country nationals it focuses on how the eu norms interact with echr human rights case law on migration and the pitfalls of european human rights pluralism

School and Public Libraries

2003

ethics and spiritual care responds to three phenomena of increasing importance although spiritual care is at the heart of ordained ministry there is no text in professional ethics for clergy that focuses specifically on spiritual care what ethical guidelines are needed to ensure that spiritual care in ministry is appropriate many people in our world do not consider themselves religious but use the term spiritual the burgeoning interest in spirituality is an invitation to people with little training to set themselves up as spiritual directors guidelines are needed not simply for the ethical practice of parish ministry but for specific practices of spiritual direction allegations of spiritual abuse have been made both in practice and in the literature the term is being used with some frequency the development of this term and its implications requires some scrutiny and response as sexual abuse is not a good model for understanding spiritual abuse

A Guided Inquiry Approach to High School Research

2013-02-07

Getting Hired

2008

after many years as a dedicated seeker dr pamela gerali hit a wall an energy sapping virus forced her to examine her priorities and refocus on the blueprint for the human spirit r her holistic model for conscious compassionate living she was guided to meditate and journal confessions for forty days baffled by the directive from her inner guru she explored the significance of the number forty and discovered it represents rebirth three days later pamela arose early went to her sacred space lit a candle and paused in the silence a word sprang into her awareness discipline she picked up her pen and wrote a confession about her negative reaction to the topic memories flowed onto the page painful experiences humorous recollections and powerful lessons finally a positive affirmation that encapsulated her journey concluded the journal entry as pamela s experiment in radical honesty continued a new word emerged each day at the end of the exercise pamela realized she had experienced a huge shift in awareness and made the leap of faith across the chasm from ego to essence in confessions of a passionate seeker pamela s personal stories and revelations bring to life the blueprint with all of its spiritual wisdom and practical guidance by sharing her journal she hopes to encourage seekers to experience their own deep soul cleanse and embrace their wholeness and oneness pamela gerali s confessions made me want to honestly look at my life and its challenging times if the book affects everyone this way it will be a bestseller rev jim rosemergy author unity minister

Rural Health Services Funding

1993

of the estimated 12 million refugees in the world more than 7 million have been confined to camps effectively warehoused in some cases for 10 years or more holding refugees in camps was anathema to the founders of the refugee protection regime today with most refugees encamped in the less developed parts of the world the humanitarian apparatus has been transformed into a custodial regime for innocent people based on rich ethnographic data rights in exile exposes the gap between human rights norms and the mandates of international organisations on the one hand and the reality on the ground on the other it will be of wide interest to social scientists and to human rights and international law scholars policy makers donor governments and humanitarian organizations especially those adopting a rights based approach will also find it an invaluable resource but it is the refugees themselves who could benefit the most if these actors absorb its lessons and apply them
