riches is more than just a book it's a roadmap to financial freedom with practical tips expert advice and real life examples this guide will help you achieve your financial goals and build a life of abundance and wealth don't wait start your journey to financial freedom today with the road to riches if there were one advantage that would make a significant impact on the growth of your real estate portfolio what would that be if you are just starting out as a real estate investor what anxieties or worries might you have what expertise in particular would help you understand market fundamentals and help you achieve your goal of becoming a successful investor and attaining financial freedom if you're an experienced investor what systems do you have in place to support your growth without making costly mistakes have you built up a proper support team if you are a successful real estate agent with experience in residential property what could you do to enhance that success in both personal and professional growth have you thought about how real estate investing can help you and your business the answer to these questions lies in a very special kind of relationship the relationship between the real estate investor and the real estate agent real estate riches is designed to provide investors with insights into the skills

and services that a knowledgeable agent can provide one who specializes in meeting the needs of the investor by understanding the investor's mindset vision and goals to allow them to focus on the larger aspects of their business real estate riches is also intended to illustrate to the agent what an investor's business looks like from the different strategies and types of properties the investor focuses on to the specifics of investment towns neighbourhoods and streets to timelines and cycles for growing the investor's portfolio how do you go about finding that agent with the requisite skills the answer lies within the pages of real estate riches filled with real life case studies tips and the hard won knowledge that comes from experience the book is motivational practical and useful and it will be among your wisest investments this book really shows professional investors and professional agents how if done right both parties can come out with better financial results with less hassle by treating the real estate business like any other business creating long term relationships in which each party respects the other's profession and treats each other's time like the important commodity that it is don r campbell author market analyst and investor tahani is an inspiration she shows firsthand how with the right mindset and the right team you can build a future in real estate while not compromising what's truly important philip mckernan author of south of 49 and fire sale tahani's story is powerful and demonstrates what can happen when you focus on helping people and living your passion she reveals the human side of real estate and why it's so important to build a powerful team around you that you can trust greg habstritt founder of simplewealth.com and best selling author of the real estate secret tahani gives the novice investor a clear insight into the world of a savvy investor friendly real estate agent and the importance of having someone with her experience on your team whether you are a seasoned investor or just starting out this book will be an invaluable tool in your investor toolbox peter kinch owner dlc peter kinch mortgage team tahani aburaneh is donating the royalties from the sale of this book to care.org turn weekend home improvement projects into big money did you know you and your spouse can sell your home every two years and pay no taxes on profits up to 500 000 it's true in fact you should think of your home as an investment as much as a place to live simple renovations can dramatically increase the value of your home and you can undertake most of them on your own and in your spare time renovate to riches shows you how to turn your sweat into equity and your home into a moneymaker millions of people across america are making their do it yourself weekend projects pay off and you can too this straightforward guide will show you how to secure financing for your home accomplish the renovations that add the most value and get the highest price when you sell it shows you how to design your own custom plan for creating wealth over five ten or even twenty years and includes detailed case studies that help you avoid common mistakes renovate to riches also includes an explanation of complicated federal tax codes tips on finding great homes at bargain prices advice on financing options which renovations add the most value professional guidance on interior design landscaping and other home improvement projects which projects you should be able to handle yourself and which will require a professional contractor how to work with contractors and keep it cheap practical advice from the experts real estate agents brokers and bankers tax advisors contractors and carpenters landscapers interior and lighting designers home inspectors and appraisers renovate to riches is not a get rich quick scheme it's a practical step by step guide to building long term wealth you don't need the skills of a contractor or the experience of a real estate agent all you need is a little extra time a little extra money and this unbeatable guide profiles of some of america's richest people and how they got that way and how you can too while we can't promise that this book will elevate you to the ranks of the super rich we can say that within its pages you'll discover everything you need to know about how exactly many of america's most famous and infamous millionaires and billionaires acquired their fortunes the big surprise is that all of the super wealthy it profiles got where they are
