christ actually meant prayer to be the great power by which his church should do its work and that the neglect of prayer is the great reason the church has not greater power over the masses in christian and in heathen countries in the first chapter i have stated how my convictions in regard to this have been strengthened and what gave occasion to the writing of the book it is meant to be on behalf of myself and my brethren in the ministry and all god's people a confession of shortcoming and of sin and at the same time a call to believe that things can be different and that christ waits to fit us by his spirit to pray as he would have us when it comes to ministry are you feeling left out too old too young too inexperienced bored as if you've been passed over discover with andrew murray that prayer is the most dynamic opportunity available to god's children today it not only strengthens our own faith and energizes our times with god but it also enables us to intercede for others with
